www.howardrobinson.info

A lead designer in several product areas mean Howard Robinson's instantly recognizable images appear on hundreds of products worldwide. Described as the artistic master of adorable animals his artwork is used extensively for Zoos, Aquariums, Pet products, Puzzles,

Greetings cards, Stitch kits, T shirts, Beach towels, Packaging and lenticular products. Also featuring the 'Nostalgic Collection' of images by Kevin Walsh, with a large body of successful images available and the 'All our Yesterdays' Collection of Faye Whittaker.

Howard Robinson

Described as the artistic master of adorable animals, both wild and tame that brim with personality, the kind that makes a person smile. His unique affinity to the creatures becomes evident in his charming paintings and which capture the very essence of his subject matter, capturing not only the visual likeness but also the spirit within.

Nostalgia Collection

Kevin Walsh's paintings are both traditional in technique and medium and possess warmth and views of family life that we can all relate to. His images lend themselves so well for the collector's and greetings card market and he is undoubtedly one of the most published artists worldwide for jigsaws

All our Yesterdays Collection

Multiple award winning artist Faye Whittaker, brings together her many charming images of bygone days, reflecting the pleasure and excitement of childhood holidays and family occasions. Faye's nostalgic watercolours possess that magical, timeless 'ahhh' appeal.
