**BUFF**

The BUFF brand was born to give name to the multifunctional tubular scarf invented by the owner of ORIGINAL BUFF. Nowadays, is the reference brand and leader in the category of tubular scarves. BUFF is much more than a brand, BUFF represents a lifestyle marked by originality, design, adventure and fun.

**Catalina Estrada**

Born and raised in Colombia, and living in Barcelona, Catalina Estrada brings all the colours and power of Latin-American folklore and refines it with a subtle touch of European sophistication. Her ability for creating fascinating illusive worlds, full of colours, nature, and enchanting characters, bursts in all of her works.

**Charuca**

Charuca is an illustrator and designer, based in Barcelona, who has quickly become a referent in the design of “cute” characters worldwide. Her illustrations, designs and characters stand out because of their high quality and are always provided with a positive message and a huge sense of humour.

**Edebites**

Bet has five friends: the Edebites, intelligent beings who live in her computer. They have amazing adventures in two different environments: the Antarctica and inside the computer. Values such as friendship, solidarity, tolerance, equality and respect towards others as well as to the environment are transmitted through the action.

**ILU ILUS**

ILU ILUS is a world where joy and positivity are the main sensations, with fresh brushstrokes, bright colours and sweet illustrations loaded with optimism and heartfelt enthusiasm. The creator of ILU ILUS is Marta Dansa, a renowned designer specialized in the design and illustration for children.
