We build partner solutions for Turner channel brands and for Turner Kids franchises as well as representing other children's properties.

Ben 10

Ben 10 follows the adventures of Ben Tennyson, a 10-year-old kid who discovers a strange alien watch in a crashed meteorite. Ben discovers that by using the watch, he can transform into lots of different alien beings each with unique powers and abilities all while keeping his 10-year-old personality.

Ben 10 Alien Force

Ben Tennyson, now 15-years old, puts the Omnitrix back on to rescue Grandpa Max from a new enemy - the Highbreed, their DNAlien servants and the Forever Knights. Ben is joined by his cousin Gwen and a reformed Kevin E. Levin, back from the null void. Along the way, they meet the children of other Plumbers who have powers similar to Ben's.

Ben 10 Alien Swarm

This live action movie follows Ben as he breaks ranks from the Plumbers to help Elena, a mysterious young woman, uncover an alien threat to our world. Joining him are Gwen and Kevin, super-powered heroes in their own right, who must trust each other's instincts to help save the day.

Bakugan

Bakugan is the story of Dan and his friends as they battle their Bakugan monsters to save the parallel universe of Vestroia and ultimately the Earth from destruction. What these young warriors initially thought was just a game has become a race to restore peace throughout the universe!

The Secret Saturdays

The Saturdays are a family of scientific explorers dedicated to protecting the secret artifacts and cryptids (mysterious creatures) of the world. This mystery series includes hidden cities, evil villains and magical powers. The Saturdays have their work cut out as they battle for good against the cryptic powers of evil.
